**IDENTIFICATION IMPORTANT POINTS TO NOTE FOR COMPLETING THE FORM**

The F.E.I booklet 'identification of Horses' describes the correct procedure. The diagram and written description **MUST** agree and be in sufficient detail to ensure positive identification of the animal in future. White markings must be shown cross hatched in red biro and ALL boxes in the written description completed with black ink in CAPITALS or typed. Where there are no marking this must be noted as NO MARKINGS in the description. All head and neck whorls should be marked with an X and described in the written description. All other whorls in grey horses or where there are limited other distinguishing marks. Acquired marks distinguished with a V and prophets thumb print +. **Chestnut & Sorrel horse with less than four distinguishing marks must undergo a leg mark up.**

**This section MUST be completed:** - I confirm that this horse **HAS / HAS NOT** had a five panel genetic test including HYPP, MH, GBED, PSSM & HERDA. You must send a copy of the results with this application. It is recommended that all stallions and mares have these tests to support responsible breeding practices.
